

Rita Benesch, RN

Grand Villa of Deland

I was born in New York City and was raised in Westchester county NY. I moved to FL in 1993 to New Smyrna Beach. I have lived in Volusia County my entire time in FL. I am married to my husband Derek for 15 years and have a 27 year old daughter; she is a Florida state attorney and is currently serving in the United States Air Force as a Lieutenant in Space Command. We have lived very happily in Lake Helen for the past 8 years with our 2 dogs and 4 cats. (I know... Crazy cat Lady...Ha-ha).

I have worked in the medical field for the past 12 years, and for the past 4 years I have been in the senior living industry as a sales and marketing director. I have held a wide variety of jobs from cleaning houses, painting the lines on roads, CNA in the hospital, Med/Surg RN, and also served as a torpedo man on the USS Holland during my time in the Navy. That is a small example of all I have done.
